All School Principals,
Sahodaya School Complexes

Dear All,

A Sahodaya School Complex is a group of neighbourhood schools voluntarily coming together to share their innovative practices in all aspects of school education including curriculum design, evaluation and pedagogy and also providing support services for teachers and students. It is indeed an interactive platform for schools to deliberate upon the different policies and guidelines of the Board and provide effective feedback on their implementation to establish new benchmarks of quality.

Sahodaya introduces the relevance of co-operative learning and collaborative networking. This is further facilitated by the annual Sahodaya Conference held every year. In its 17th Annual Sahodaya Conference held in Bangalore in 2009 one of the recommendations of the conference was to build a network of Sahodayas.

The Gurgaon Sahodaya has volunteered to build a network of Sahodayas on the Gurgaon Sahodaya website which can then be hyperlinked to the CBSE website. This is an endeavor to strengthen the networking among Sahodayas so that they can share best practices.

The benefits of linking Sahodayas on the website are that it provides a platform:

- for all Sahodayas to come together
- to share experiences in implementation of reforms
- to share best practices in scholastic as well as co-scholastic domains
- to voice concerns regarding the practice of teaching and learning, to share experiences of Monitoring and Mentoring, to provide a platform for discussion amongst teachers in various subjects, to actively be engaged with what the other Sahodayas are involved in with reference to teacher empowerment, exchange programmes, development of question banks for Formative and Summative Assessments.

You are hereby requested to send in the details by filling up the online registration form available at www.sahodayaschools.org latest by 30th July, 2011.

Quick response would be appreciated.

Regards,

Yours sincerely,

(DR. SADHANA PARASHAR)
HEAD (INNOVATION & RESEARCH)
